

SecureOps Command — User Agreement (Terms of Service / End-User License)

Operator: SOBBU LLC ("SOBBU", "we", "us") **Product:** SecureOps Command — web admin portal and mobile applications (the "Apps") **Last updated:** [EFFECTIVE DATE]

IMPORTANT — NOT LEGAL ADVICE. This is a template reflecting how SecureOps Command works. It is **not** legal advice and should be reviewed by a licensed attorney before use. Bracketed [ALL - CAPS] fields must be completed.

By creating an account, signing in, or using the Apps, you agree to this User Agreement. If you do not agree, do not use the Apps.

1. Who we are and how this works

SOBBU owns, develops, and operates SecureOps Command and provides it to organizations (your employer or the company that engaged you, your "Organization") under a separate subscription agreement. **SOBBU provides the software; your Organization controls your account, your data, your schedule, and your pay.** Questions about your employment, hours, pay, discipline, licensing, or assignments are between you and your Organization, not SOBBU.

2. Eligibility and accounts

- You must be at least 18 years old and authorized by your Organization to use the Apps.
- Your access is tied to your Organization's deployment, selected by an organization code. The code is a routing convenience, not a login — you still need valid credentials issued for your Organization.
- You are responsible for keeping your password and device secure and for all activity under your account. Notify your Organization (or us) promptly of any unauthorized use.

3. License to use the Apps

SOBBU grants you a limited, personal, revocable, non-exclusive, non-transferable license to use the Apps for your Organization's security-operations purposes, subject to this Agreement. SOBBU and its licensors retain all rights in the Apps. You may not copy, modify, reverse engineer, resell, or attempt to access another user's or another organization's data.

4. Acceptable use

You agree not to:

- access data outside your assigned role, impersonate anyone, or share your account;
- falsify clock-in/out events, incident reports, schedules, or payroll information;
- misuse the emergency button or other safety features, or submit false alerts;
- upload unlawful, harassing, infringing, or malicious content;

- scrape, probe, overload, or attempt to bypass security or access controls; or
- use the Apps in violation of any law or your Organization's policies.

5. Location, notifications, and device permissions

- **Location:** while you are clocked in, the Apps capture GPS location for clock-in/out verification and live operational visibility to your Organization's administrators. Disabling location may prevent clock-in/out at sites that require geo-verification.
- **Push notifications:** the Apps may send operational notifications (schedule alerts, messages, emergencies). You can disable push in device settings.
- **SMS (if enabled):** text alerts are sent only where your Organization has enabled SMS, you have provided a valid mobile number, and you have opted in. You may opt out at any time.
- **Emergency button:** activating it creates an alert to your Organization's administrators and provides a phone number to call. **The Apps are not a replacement for 911 or professional emergency services** — in a real emergency, call your local emergency number directly.
- **Emergency contacts:** any emergency-contact phone number you provide is for manual/911 use by your Organization and is not used to send you automated texts.

6. Your content

You retain ownership of the information and documents you submit. You grant SOBBU and your Organization a license to store, process, and use that content to operate the Apps and to meet legal obligations. You are responsible for the accuracy of what you submit.

7. Privacy

Your personal information is processed to operate the Apps. Your Organization decides how your information is used and is the primary point of contact for privacy requests; SOBBU processes data on your Organization's behalf. Please review your Organization's privacy notice. For questions you may also contact [SOBBU CONTACT EMAIL].

8. Service availability

The Apps are provided on an "as is" and "as available" basis. SOBBU does not guarantee uninterrupted or error-free operation and may modify, suspend, or discontinue features. Maintenance, updates, or your Organization's configuration may affect availability.

9. Suspension and termination

Your access depends on your relationship with your Organization and on your Organization's subscription. SOBBU or your Organization may suspend or terminate your access for violations of this Agreement, for security reasons, or as required by law. Sections 6, 10, 11, 12, and 13 survive termination.

10. Intellectual property

SecureOps Command, including all software, designs, logos, and documentation (other than your Organization's branding and your own content), is owned by SOBBU and its licensors and is protected by law. App-store use is also subject to the applicable platform's terms (e.g., Apple/Google).

11. Disclaimers and limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, SOBBU DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. TO THE MAXIMUM EXTENT PERMITTED BY LAW, SOBBU WILL NOT BE LIABLE FOR INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES, OR FOR LOST PROFITS OR DATA, ARISING FROM YOUR USE OF THE APPS. SOBBU'S TOTAL LIABILITY TO YOU FOR ANY CLAIM WILL NOT EXCEED [USD AMOUNT, e.g., \$100]. Nothing limits liability that cannot be excluded by law.

12. Indemnification

You will indemnify and hold SOBBU harmless from claims arising out of your misuse of the Apps or your violation of this Agreement or applicable law, to the extent permitted by law and except to the extent caused by SOBBU.

13. Governing law and disputes

This Agreement is governed by the laws of the State of [GOVERNING LAW STATE], without regard to conflict-of-laws rules. Disputes will be subject to the exclusive jurisdiction of the courts located in [VENUE COUNTY/CITY, STATE]. [OPTIONAL: insert arbitration / class-action-waiver clause if desired, reviewed by counsel.]

14. Changes

We may update this Agreement. Material changes will be communicated through the Apps or by email. Continued use after the effective date means you accept the updated Agreement.

15. Contact

Questions about this Agreement: [SOBBU CONTACT EMAIL] · SOBBU LLC, [SOBBU PRINCIPAL ADDRESS]. For account, schedule, pay, or data requests, contact your Organization's administrator.
